Qualifying Service

All services classified as United States Air Force facilities.

Rates

Basic Charge: \$64.50 per month

Demand Charge: \$17.66 per kW, per month

Energy Charge: \$0.0483 per kWh

Determination of Billing Demand

The billing demand shall be the maximum kilowatt (kW) demand established by the customer for any fifteen (15) consecutive minute period during the month for which the bill is rendered, as indicated or recorded by the District's metering equipment.

Power Factor Charge

A power factor charge will be assessed to compensate for average power factor lower than ninety percent (90%) lagging. The power factor charge will be calculated by increasing the demand charge by one percent (1%) for each one percent (1%) by which the average power factor is less than ninety percent (90%) lagging.

Minimum Monthly Charge

The minimum monthly charge shall be the highest of the following, as determined by the District:

- The monthly minimum billing amount as specified by contract between the District and the customer.
- \$2.42 per kilowatt (kW) of maximum kW demand established during the eleven months prior to the current month.

Production Cost Adjustments

The Government agrees that, if any time after April 1, 1987, that adjustments are made to the District's wholesale cost of power, charges or credits shall be made to this rate
